

CelebValley

For the **celebrity**  
in each one of **you!**

## About Us

CelebValley is an online market place providing hassle free booking system for artists, performers and various service providers. It is a platform for artists to showcase their talent and get discovered. We aim at giving people the power to manage their events easily and delivering all the services at one place. Providing a launchpad for artists to showcase their talent. CelebValley is the next generation event services and talent promotion company, committed to high end exclusive customer service for an exceptional experience.

## Artist Registration

We have super easy system to get the Artists registered in 3 steps. You can skip the steps to update your profile later. The profile is easily editable and you can add photos, music and video albums to show your talent to the customers. Until our offer period we provide free services to all the artists

## Manager Registration

Manager can get registered in a single step. After verification they can add as many artists as they want. Each artist will be managed by the manager itself with the help from CelebValley. All the information is highly confidential. Until our offer period we provide free services to all the managers.

## Our Services

We provide booking for any artist for all type of event throughout the country. Currently as an offer period we are taking no extra charges for their booking.

Hire event managers, decorators, pandits and other people to make your event awesome!

To help artist grow we also provide them with

**Rental and Studio** services.

Categories: Singer, Photographers, Variety Artists, Instrumentalist, Event Services, Band, Make-up Artist, Model, Dancer, DJ, Comedian, Rental, Studio.

No Membership  
Fee

## Booking Process

Our team will get in touch with them to check their availability and get the best customized quotes for your event. If you are happy with the quote, you're ready to book. Super easy online booking.

Give your final approval. Then pay a small amount and the artist is booked. Don't worry, we take the full payment only after your event. Go and have fun, the awesome event pros are working you.

No need to wait for payments or clearing cheques, with our facility you can receive online payment from your customers. Don't worry, it's super-safe too!
