This is to certify that Mr. Naman Gupta student of IIT Kharagpur, successfully completed his Internship as a Machine Learning Engineer at Tekolutions.ai, a division of Prodyogic Technologies Private Limited from 4th December 2017 to 15th January 2018.

He worked under the guidance of Mr. Vikram Bansal, co-founder to implement Microsoft's research paper "S-NET: from answer extraction to answer generation for machine reading comprehension".

During the period of his tenure with us he was found punctual, hardworking and inquisitive.

We thank him for the contribution during the tenure with the organization and wish him every success for his future endeavours.

A handwritten signature in black ink, appearing to read "Vikram Bansal", is written in a cursive style.
